

## Kinderhaus Supply List

### WATER BOTTLE

**APPROPRIATELY-SIZED BACKPACK** (please no media characters)

**CLOTHING** (please no media characters)

Fall/Spring: (rain gear is required if precipitation is evident or expected in the air or on the ground)

Waterproof boots

Waterproof coat

Waterproof pants

Sweater or sweatshirt to wear under a rain coat

Hat, gloves or light mittens during cool weather times

Hat, visors, and protective clothing for sun protection

Shoes or sandals (“strap in the back” rather than flip flops) if desired

Winter:

Long underwear or layers

Thick wool socks or 2 pairs of socks

Wool/fleece sweater

Face protection (neck gator, balaclava, or scarf)

Warm and **waterproof** mittens or gloves

Hat that covers the ears

Warm boots that cover the ankles

Warm coat and snow pants or full body snow suit

Indoors:

Indoor shoes/slippers that remain at Kinderhaus

Seasonally appropriate change of clothes to remain at Kinderhaus

\* *Note about boots:* It is often necessary to wear waterproof snow boots before and following snow season. Most rain boot/warm sock combinations do not keep the children’s feet warm enough in late fall and early spring.
